Ideological & Moral Cultivation and Fundamentals of Law	Common compulsory course	3	83	Introduction to Business	Common compulsory course	4	80
Fundamentals of Computer Culture	Common compulsory course	3	89	Higher Mathematics	Common compulsory course	4	74
Practice of College Computer Basis	Free elective course	3	60				
Subtotal: 9 courses; average mark: 75.78; credit points: 27; GPA: 2.259/4							
Semester 2, Academic Year 2006-2007 (2nd semester)							
Introduction to Mao Zedong Thought, Deng Xiaoping Theory, and Important "Three Represents" Thought – Junior College Education	Common compulsory course	4	71	English Listening Comprehension II	Common compulsory course	2	61
Intensive English Reading II	Common compulsory course	4	63	P.E. (I) (junior college education) (Tennis)	Common compulsory course	2	70
Sociology	Cultural quality course	1	60	Economic Law	Free elective course	3	70
Higher Mathematics	Common compulsory course	4	61	Practice of Programming (Junior College Education)	Free elective course	2	
Programming VB (Junior College Education)	Compulsory major course	3	84	Practice of Web Language Programming 01 (Junior College Education)	Compulsory major course	2	70
Web Programming	Compulsory major course	3	70	Practice of C Language Programming 01 (Junior College Education)	Compulsory major course	2	84
Military Training for grade-2006 students	Common compulsory course	2	80				
Subtotal: 13 courses; average mark: 64.92; credit points: 34; GPA: 1.765/4							
Semester 1, Academic Year 2007-2008 (3rd semester)							
Situations and Policies III (Junior College Education)	Common compulsory course	1	62	Advanced Application of Modern Office Software (Junior College Education)	Compulsory major course	2	60
Appreciation of Literature	Cultural quality course	1	85	Network Route Exchange Technology (Junior College Education)	Recommended elective course	4	71
Graphics and Image Processing (Junior College Education)	Compulsory major course	3	78	Database Application (Junior College Education)	Compulsory major course	2	88
Database Practice (Junior College Education)	Compulsory major course	2	90	Advertising Psychology (Junior College Education)	Free elective course	2	67
Office Automation Equipment (Junior College Education)	Compulsory major course	2	74	Practice of Advanced Application of Office Software (Junior College Education)	Free elective course	2	
Windows Server System Management (Junior College Education)	Recommended elective course	4	62	Linux Basis and System Management (Junior College Education)	Recommended elective course	4	82

Course	Type	Credits	Mark	Course	Type	Credits	Mark
070801 Academic Report I	Cultural quality course	1	79				
				Subtotal: 13 courses; average mark: 69.08; credit points: 30; GPA: 1.933/4			

Semester 2, Academic Year 2007-2008 (4th semester)

Course	Type	Credits	Mark	Course	Type	Credits	Mark
Information Organization and Information Management (Junior College Education)	Recommended elective course	3	78	Modern Document and File Management (Junior College Education)	Compulsory major course	4	83
Data Structure (Junior College Education)	Compulsory major course	4	66	Calligraphy	Cultural quality course	1	83
Enterprise Network and Service Management (Windows Environment) (Junior College Education)	Compulsory major course	2	74	Enterprise Network and Service Management (Linux Environment) (Junior College Education)	Compulsory major course	2	74
Enterprise Network Security (Junior College Education)	Recommended elective course	4	85	Specialized Computer English (Junior College Education)	Recommended elective course	2	60
Management Information System (Junior College Education)	Compulsory major course	3	60	Operating System Networking Technology and Static WebPages (Junior College Education)	Common compulsory course	2	62
Oracle Portal Technology (undergraduate education)	Free elective course	2	92	Java Programming (Junior College Education)	Compulsory major course	2	60
				Subtotal: 12 courses; average mark: 73.08; credit points: 31; GPA: 2.000/4			

Semester 1, Academic Year 2008-2009 (5th semester)

Course	Type	Credits	Mark	Course	Type	Credits	Mark
Practical Training of Enterprise Network Management (Junior College Education)	Compulsory major course	6	60	Career Guide (Junior College Education)	Recommended elective course	3	91
				Subtotal: 2 courses; average mark: 75.50; credit points: 9; GPA: 2.000/4			

Semester 2, Academic Year 2008-2009 (6th semester)

Course	Type	Credits	Mark	Course	Type	Credits	Mark
Graduation Internship and Internship Report	Graduation internship	15	62				
				Subtotal: 1 courses; average mark: 62.00; credit points: 15; GPA: 1.000/4			

Total: 50 courses; average mark: 70.28; GPA: 1.877/4; total credit points: 142

Credit points from common compulsory courses: 43; credit points from compulsory major courses: 44; credit points from recommended elective courses: 24; credit points from free elective courses: 12; credit points from cultural quality courses: 4; credit points from graduation internship: 15
